NICO & VALI

Italian Eatery

Generation after generation, the Italian pursuit of love, life and family has always been influenced by the age-old passion for food...fresh, simple, and home-cooked.

NICO & VALI, whose name was inspired by the newest generation of DePalmas - Nicola, Valentina and Liliana, invites you to experience that passion.

The DePalma family has long held the tradition of sharing their kitchen with warm affection and large appetites. From your favorite regions of Italy, **NICO & VALI** will awaken your senses with Nonna's traditional recipes, warm ovens and welcoming smiles as if you were one of the family.
